

## eseia Data Privacy Statement

The European Sustainable Energy Innovation Alliance (eseia) values the protection and confidentiality of your personal data. Therefore, we comply with the [European General Data Protection Regulation \(GDPR\)](#) with regard to processing personal data.

eseia will use your personal data (name, surname, and email address) for the sole purpose of informing you about her activities and news on renewable energy systems. Users have the right and possibility to unsubscribe from our mailing lists through an “unsubscribe” button at the bottom of any emails. Alternatively, users can email us at [office@eseia.eu](mailto:office@eseia.eu) or write to: European Sustainable Energy Innovation Alliance, Mandellstraße 11/II, A-8010 Graz, Austria.

eseia will not pass on, sell, rent, loan, trade, or lease any personal information collected online or offline. All information shall be kept confidential unless given consent to by the user. Eseia will not share your personal information with third parties.

eseia uses secure data networks that are protected by firewall and password protection systems that are consistent with industry standards. eseia’s security and privacy policies are periodically reviewed and enhanced as necessary. Only authorised individuals have access to the information provided by our contacts. You have the right to ask for a copy of the information eseia has about you.

The controller of your personal data, under applicable data privacy legislation and about the processing of personal information, is:
