Meeting ID: 871 3319 3236

Passcode: 905700

1. Aim of the panel

The panel brings together climate change education experts. It aims to share information, provide examples of good practice and present evidence that education is crucial to address climate change issues.

2. Who will be the panelists: Chair and participants? Moderator? Audience?

Chair Anca Duta, UTBv, RO

Organiser: Brigitte Hasewend, eseia

Speakers:

Prof. Dr. Anca Duta, UTBv, RO, UTBv Experience on Climate Change Education

Dr Gabriela Martínez Sainz, Ad Astra Fellow / Assistant Professor, School of Education, University College, IE:

Conclusions of ALLEA report “A snapshot of Climate Change Education Initiatives in Europe: Initial findings and implications for future Climate Change Education”: gaps and best practices.

Michael Krobath, CEO Umweltbildungszentrum Graz, AT: Challenges of Climate Change Education: A View from the Grassroots Level

Audience: Representatives from youth climate change organisations and eseia member organisations

3. Which questions will the panelists address?

- What would be the most effective approaches to climate change education in order to accelerate the implementation of the European Green Deal?
- What are the biggest challenges for climate change education initiatives in Europe?
- According to which criteria should the quality of climate change educational programmes be assessed?

4. How is the panel structured?

Chair: Introduction (5 min)

Panelists: (each 5 min) short presentation (20 min total)

Panelists: (45 min) for answering questions

Discussion with the audience (20 min)

5. Summary and Follow-up

Chair: closing words (current work on the topic and eseia recognition)
